ASSIGNMENT

WHEREAS, I, **Troy Kau**, residing at 9456 West 77th Drive, Arvada, Colorado 80005, together with Richard L. Wall, Gary L. Ryczek, James A. Loukatos, Alex J. Henes, Jeffrey L. Martin, Brett P. Hollman, Thomas G. Hoople, and George T. Joseph have invented a certain new and useful invention entitled “**AUTOMATED INSTALLATION OF NETWORK SERVICE IN A TELECOMMUNICATIONS NETWORK**” for which an application for Letters Patent of the United States has been prepared and filed on January 25, 2002 receiving Application No. 10/057,041, and further identified as Attorney Docket No. **519-010-USP**;

NOW THEREFORE, for good and valuable consideration, receipt of which is acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto **Level 3 Communications, LLC** (“Company”), a corporation a corporation organized and existing under the laws of the State of Delaware, having its principal office at 1025 Eldorado Boulevard, Broomfield, Colorado 80021, its successors and assigns, the entire right, title, and interest in and to said invention and application, and in and to any division or continuation (in whole or in part) of said application, and in and to any and all improvements in said invention made by me (provided any such improvement is made during, or within one year after the termination of, the employment by said Company of myself), and in and to any and all Letters Patent, reexaminations, reissues, or extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent, Utility Models, or Inventors' Certificates in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further application based in whole or in part upon said invention or improvements thereon, to be held and enjoyed as fully and exclusively as they would have been by me had this assignment and transfer not been made;

I do further agree for myself and for my heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as I lawfully may, that may be deemed necessary by said Company, its successors, assigns, and nominees, fully to secure its right, title, and interest as aforesaid and to obtain or maintain Letters Patent, Utility Models, or Inventors' Certificates in any and all countries;

And I do hereby authorize and request the Commissioner of Patents to issue any and all

Letters Patent which may be granted upon any of said applications, to said Company, as the assignee of the entire right, title, and interest therein.

IN WITNESS WHEREOF, I have hereunto signed my name on the day and year set forth below:
